

# Zuck & Berg

**Throw dice again**  
You are lucky today! Do not miss the moment - throw the dice again.

**Skip stroke**  
Something definitely fucked up. You must skip one or two turns.

**Snake**  
You screwed up! You'll have to go back to the snake's tail and try again.

**Stairs**  
Great job! Move closer to the goal - straight to the top of the stairs!
